

POSTCARD

Dear teachers and students,

We're looking for your art to be featured on 6 new postcards!

Students in all grades can submit a piece of art that highlights their favourite landscape, or what the outdoors means to them.

In return, Take Me Outside will send back a thank you note to your class to say thanks.

We'll choose 6 different pieces of art to put on our new postcards and if a student from your class is chosen, we'll send you a set of 30!

** Deadline for submissions is January 17, 2022*

We really want to receive these by snail mail. Teachers can collect their students' drawings/art and mail them to:

Take Me Outside
