YOU DON'T NEED TO STAY OUTSIDE FOR A LONG TIME TO MAKE IT COUNT. TRY A 10-MINUTE OBSERVATION, TAKE A LESSON INTO THE SCHOOLYARD, OR STEP OUTSIDE TO NOTICE HOW THE LANDSCAPE IS CHANGING. DRESS FOR THE WEATHER, START SMALL, AND KEEP NOTICING!

### NOTICE WHAT'S CHANGING...

AS THE DAYS GET SHORTER AND TEMPERATURES DROP, NOTICE HOW THE WORLD AROUND YOU IS CHANGING. WHAT HAS CHANGED SINCE SEPTEMBER OR OCTOBER? WHAT IS STILL CHANGING? WHAT REMAINS THE SAME?
